True Colors Theatre Presents...

Kenny Leon and the True Colors Theatre Company have made their mission the preservation and continued popularization of the canon of African American theater.

Beginning December 20 and continuing through December 21 True Colors Theater presents a reinvention of the Christmas story is a soul-stirring musical celebration featuring a pre-professional, multi-cultural cast. A testament to the power of gospel music, the story of the Nativity is told through a combination of scripture, poetry, dance and song that connects a contemporary church revival to the time of mangers and swaddling clothes. This joyous evening brings the real meaning of faith and love to life.
