## **The Economy and How to Make it Work for You**

CAPACITY

The National Urban League's Economic Empowerment tour reached Atlanta on Dec. 9. With the economy being top-of-mind for so many people, the attendees were filled with questions, ready for answers and in need of change.

The annual event brought together business leaders and other economic related entities to educate and connect Atlanta residents. The forum provided information about the job market, credit, and home ownership. Capitalizing on the nation's current economic unsteadiness, this tour stop generated a huge crowd.

## **True Colors Theatre Presents...**

Kenny Leon and the True Colors Theatre Company have made their mission the preservation and continued popularization of the canon of African American theater.

Beginning December 20 and continuing through December 31 True Colors Theater presents a reinvention of the Christmas story is a soul-stirring musical celebration featuring a pre-professional, multi-cultural cast. A testament to the power of gospel music, the story of the Nativity is told through a combination of scripture, poetry, dance and song

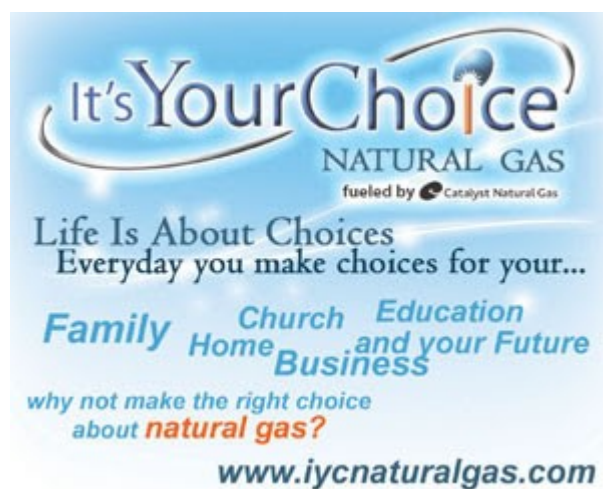

that connects a contemporary church revival to the time of mangers and swaddling clothes. This joyous evening brings the real meaning of faith and love to life.
